**REPORTING OF ERRORS AND RECOMMENDING IMPROVEMENTS**

You can help improve this publication. If you find any mistakes or if you know of a way to improve the procedures, please let us know. Submit your DA Form 2028-2 (Recommended Changes to Equipment Technical Publications), through the Internet, on the Army Electronic Product Support (AEPS) website. The Internet address is <http://aeprs.ria.army.mil>. If you need a password, scroll down and click on "ACCESS REQUEST FORM." The DA Form 2028 is located in the ONLINE FORMS PROCESSING section of the AEPS. Fill out the form and click on SUBMIT. Using this form on the AEPS will enable us to respond quicker to your comments and better manage the DA Form 2028 program. You may also mail, fax or email your letter, DA Form 2028, or DA Form 2028-2 direct to: Commander, U.S. Army Tank-automotive and Armaments Command, ATTN: AMSTA-LC-CIP-WT, Rock Island, IL 61299-7630. The email address is TACOM-TECH-PUBS@ria.army.mil. The fax number is DSN 793-0726 or Commercial (309) 782-0726.

# HAND RECEIPT FOR CONTENTS OF COMPONENTS OF END ITEM (COEI), BASIC ISSUE ITEMS (BII), AND ADDITIONAL AUTHORIZATION LIST (AAL) FOR PALLETIZED LOAD SYSTEM (PLS)

## Section I. INTRODUCTION

### 1. SCOPE.

This publication provides an overprinted DA Form 2062 (Hand Receipt) which lists the contents of COEI, BII and AAL items related to the PLS.

### 2. GENERAL.

*a.* Section II is the overprinted DA Form 2062 which lists the line item entry for System/End items and the contents of COEI, BII, and AAL extracted from the Operator's Manual for Palletized Load System (PLS), TM 9-2320-364-10. The listings consist of exactly the same items and are in the same sequence as those listings in TM 9-2320-364-10.

*b.* The overprinted DA Form 2062 will eliminate manual preparation of the form and will assist organizations in inventorying and accounting for property as required by DA PAM 710-2.

*c.* Local reproduction of the overprinted DA Form 2062 is authorized. However, organizations shall comply with local policies in the reproduction of DA Form 2062 by office copying equipment, field printing plant or duplicating plant facilities.

*d.* Additional copies of this publication may be requisitioned from the U.S. Army Adjutant General Publications Center, 1655 Woodson Road, St. Louis, MO 63114 in accordance with Chapter 3, AR 310-2.

### 3. EXPLANATION OF BLOCKS AND COLUMNS (DA FORM 2062).

Refer to DA PAM 710-2-1. Additional information required to complete DA Form 2062 is listed below:

*a.* Hand receipts shall identify the accounting requirement status of all item entries via the description column for each item: i.e., the first entry in the description column shall be the line items Expendability (RXP)/Accounting Requirements Code (ARC), in parentheses, in front of the line item name. One of the following codes will apply:

(N) for Nonexpendable:

Items not consumed in use, retaining their identity during use, and requiring that accountability be maintained throughout the life of the item.

**(D) for Durable:** Nonconsumable components of sets, kits, outfits, and assemblages; all tools in FSCs 5110, 5120, 5130, 5133, 5136, 5140, 5180, 5210, 5220 and 5280; and any other nonconsumable with a price in excess of \$50.00 not already "N".

**(X) for Expendable:** Items, regardless of type classification or price, which are consumed in use. Includes all class 9 repair parts. Items not consumed in use which cost \$50.00 or less and not already "N" or "D".

*b.* Authorization documents are as follows:

- (1) COEI are authorized by the applicable Repair Parts and Special Tools List (RPSTL).
- (2) BII are authorized by the applicable Operator's Manual.
- (3) AAL items are authorized by appropriate MTOE, TDA or JTA authorization documents.

<b>4. SPECIAL INFORMATION.</b>
--------------------------------

None.
